ERVDITISSIMO VIRO ET PRESTAN-

tissimo .D. Andreę Bodenstein Carlstadio syncerio
Theologię assertori facile primario. Archidiacono
Vuittenbergen. preceptorι ac maiori suo in Ch̄o
Martinus Luther August.

Salutē. Edidit Eccius noster, inclyte vir, schedulā, in qua magis
nificis ampullis verbōz crepat (id aut̄ homini moriseft) seſe ad-
uersus te disputaturā Lipsię. Et ego id noīe tuo, cū ip̄o tractaram
Augusti. Siquaratione, contētio vestra, corā & amica familiariq;
cōgressione cōponere, quod nec tu, pro tua dignitate detrectasti,
sed ecce homo, pulchre memor, & sibi cōſtās posic̄ te ſode infaz-
marat, tandem pmitit in te, sed vertit in me impetum ranariū ne an-
muscarū suar̄ nescio. Sperauerā ego tractatū futurū, de honestissi-
mis ſerijſtuis, & de grā dei, humana miseria, oīnoq; de ea re, quæ
inter vos vertit. At meus Eccius in meas interīm nugas debacchaſ,
aut p more iſtor̄ dierū laruiſ iocatur potius, ſultas quēſtiones de
indulgētijs, penē ex orco tādē reuocat, tua, velut parerga & ſūmo
(quod aiū;) digito vix attingens, forte Spūſanctus puidens hoc
hominis ludibriū & nugacitā, dedit in eorū Egregiorū dñorū do-
ctorū Lipsenſis studij, ut recuſarent vobis hoc negocium apud ſe
grenđū. Sed & ego nolo te optie Andrea, in fruolam & laruatā
hanc diſputationē descendere, tum q; mea & me petit, lauta hēc &
καλλιπαρησ και λευκωλενος perſona, tū q; ingenij tuum &
tua diſputatio, digniora ſint, q; vtrin has ſophiſtae & meas nugas,
indulgētias inq; ſeu rectius & vere negligētias, humilientur. Quas
cū om̄is doctores, etiā ſcholastici, inſcēlices Eccij pceptores, facant
tm & ipi. primū nō eſſe necessariās Christiano, tū ſi nullę eſſent, me-
lius eſſe, ac per hoc ad ſcripturas & rem theologicā ſicut aliuñ ad
Iyra. Nec ego illas vñq; mea diſputatione dignatus fuifsem, niſi p
populo Christi Phrenapatas Matçologos, auhides, & ſchrocer-
des oportuiffet redarguere. Nihilominus tamen has reſeuſicas,
& nihili, magni iſti & generosi Theologi, adeo curāt miſere, adeo
pōpis vel anxijs inflare conātur, vt in riſum mū & noīs & officij
ſui, decus conſtituiffe videant. Interim Theologię legitimo, & qđ
ad rem pertinet, officio, penitus poſthabito & in ſabbata grāſ lato,
non quidē lucri aut glorię emulatiōne, niſi minus principaliter p
accidens, & in potentia, modo nō ſit nimis remota. Quando
