Widmung

Dem
als eifrigem Förderer des Guten und Schönen,
besonders für die Arminiusquelle zu früh
verstorbenen

Amts-rath Ferdinand Nisse

zum Andenken.

The fog in which he sits
The forest in the distance
The trees are all the same
The leaves are all the same

There is a light in the distance
The trees are all the same
The leaves are all the same
The fog is all the same

The trees are all the same
The leaves are all the same
The fog is all the same
The light is all the same

The trees are all the same
The leaves are all the same
The fog is all the same
The light is all the same
