Beatissimo patri Leon. x. Pont. Max. frater Silvester Prierias ordinis predicatorum: sacriq; palatiū Abagister: eternā salutem.

**N**escio pater beatissime: an vlo sim tpe letior: q̄ cū tue beatitudis contemplatioē: t̄ grā aliqd efficio. Quo acrū purarim: vt p̄mē caris in primū secūdi conflati ex diuo Thoma immersus poti? q̄ im̄plici? cū edendis: tū exornādis t̄ plūmādis: nō potuerim tāra voluptate detineri: quin reiectis: ac postergatis studiis t̄ templatiōib; bus p̄p̄ris: Martino nescio cui Luther: q̄ in veritatē ip̄am: t̄ sc̄tā m̄ bāc sedē ceruicē eleuata ostentat: me sc̄tū opponere p̄ sedis huius: proq; vicitatis honore: ac maiestate pugnatur<sup>9</sup>. Deniq; tridui labore in opus istud absumpsi: rāta leticia t̄ animi incūditate: vt amo ip̄e m̄bi sensim veritatē inferrer: illaq; ingiter ac celerrime anio illabere tur. Oro vero beatudo tua pauca ista q̄ elucubrāui: in tātis: t̄ tam infestis laborib; item t̄ curis: p̄currere nō dedigneā: t̄ sua beniuola cen̄sura: inepitē dic̄a: aut elimare: aut eliminare. Ita em̄ fieri: vt tāta sim̄ post bac fiducia: ac si fida lorica instruct<sup>9</sup>: vt etiā satanā ip̄m in futuro certamine nō extimescā: imo audiū experiri cu p̄ia: an ferreum nasum: aut caput eneū gerat iste Martin<sup>9</sup>: vt effringi nō possit. Ebi vero is sua fundamēta in luce extulerit: sua p̄baturus: aut improbaturus n̄ra: quiddam ( volente deo ) moliar: t̄ maius : t̄ accuratiū expolitū. Eternū vale benignissime pastor.

Sacrarū litterarū professori Martino Luther: frater Silvester de p̄ierio ordinis predicatorū: spiritū humilitatis t̄ veritatis.

**S**i lōga mora intercedēte Martine mi: litterarias man<sup>9</sup> cōferre desuerim: eo vel maxime q̄ tarda senecta iā frigeāt effete vires: tuis tñ xbis excit<sup>9</sup>: ac pene impulsus: q̄bus vndiq; athletas q̄si alter Dares in certamina vocas: desuetas palestrās p̄ sc̄tā apl̄ia. Sedc. itē p̄ veritate tuēda denuo aggredi statui. Qm̄ vero codi- cis abs te (vt fert) editi: fundamēta cernere nō dāt: nec tu cōclusiōib; tuis probationē vllā attulisti: earūq; cōplures sensus cū veros: tum eria falsos preferant: non aliter imprīmis tecum cōgredi velim: q̄ tuarū falsarū positionū opposita substinetō: t̄ defensando: vt quisbus innitaris fundamentis edoceas. Quasq; ergo tuas sententias percarres: ac trutinans: dialogo nobis ipsis qui certaturi sumus interlocutoribus ( deo maximo optimo inuocato ) futuro certamini iam principiū affero. Glale t̄ melius sentias.
