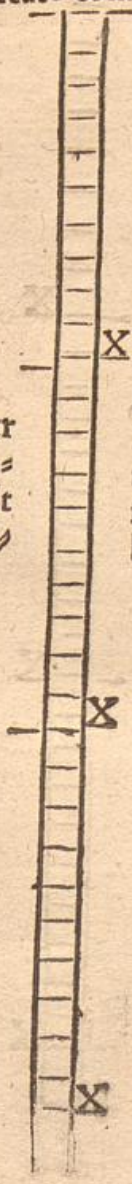
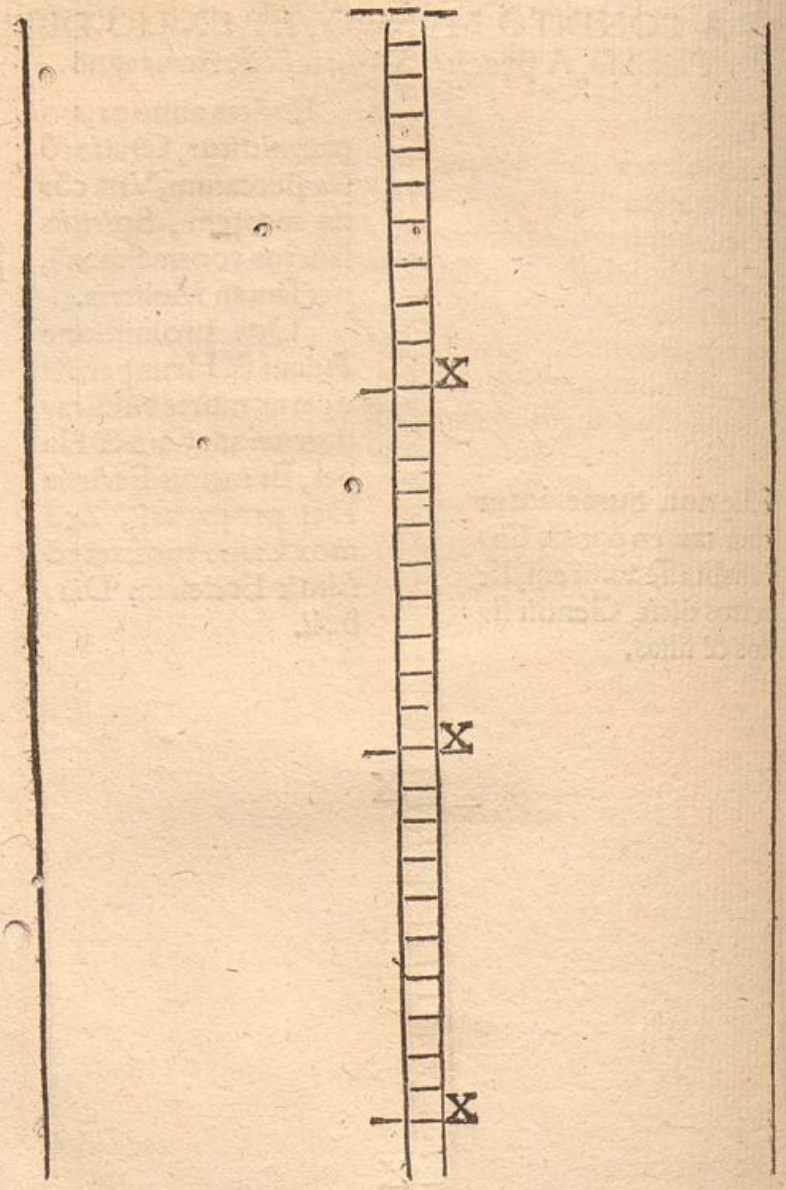
A CONDITO MVNDO, ET EXILIO DE Paradiſo, A peccato & morte & Satanæ regno.

Eodem anno primo promittitur, Gratia cõtra peccatum, Vita cõtra mortem, Spiritus ſanctus contra Satanã, per ſemen Mulieris.

Qua promiſſione Adam & Heua per fidem ex morte viuificati, generant Caín & Habel, Et incipit Eccleſia Dei propagari, Sed mox Caín Apoſtata cõſtituit Eccleſiam Diaboli.



Filię non numerántur cum tamen pateat Caín habuiſſe vxorem, Et textus dicit, Genuit filios & filias.



Circa hęc forte tempo-
ra offerunt Cain &Ha

Sed ſignificatur, Eccle-

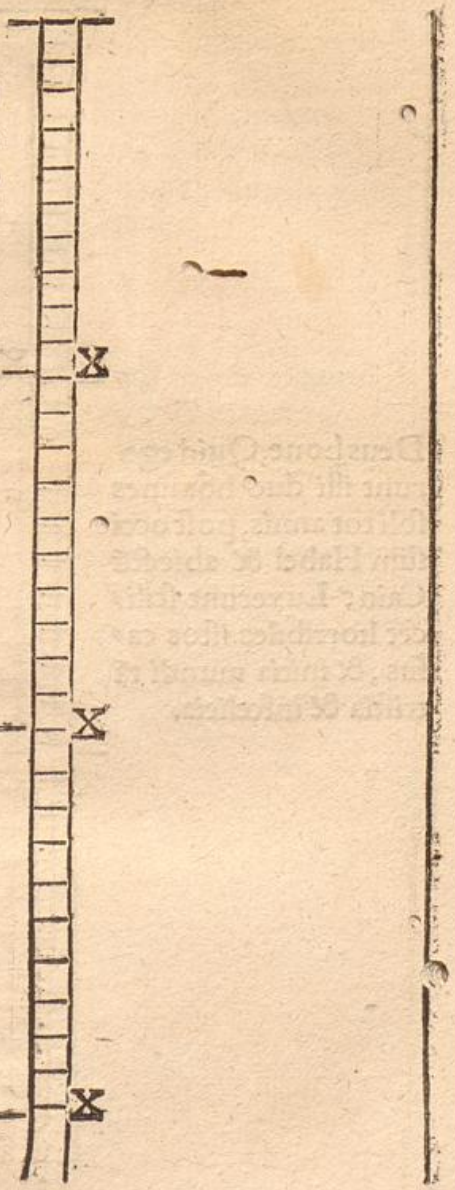
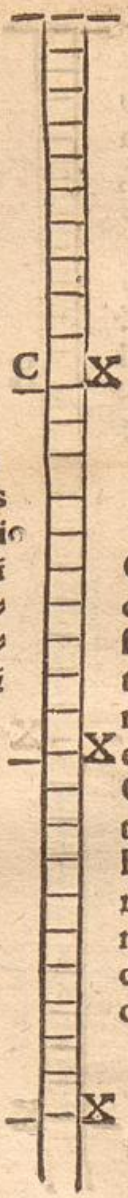
æterna vita in Habel
mortuo, qui in Deo vi-
uit. Primum exemplũ
Seminis promiſſi.





Deus bone, Quid egerunt illi duo homines soli tot annis, post occisum Habel & abiectũ Cain? Luxerunt scilicet horribiles istos casus, & initia mundi tã tristia & infœlicia.

Quid passi sint licet facile æstimare .s. Morsus serpẽtis & desperationis, & similium agonum impetus. Item, exempla pessima Ecclesiæ Cainicæ, Nam credipotest, Cain generasse, & Ecclesiã fecisse antecꝙ nasceretur Seth, Denicꝙ Ciuitatem condidit, Politiam speciosam constituens.

Nullus fuit homo miſerior primo parente, neq; erit, Ipſe.n. Conſciẽtia illa horribili oppreſſus, q; ſuo ſolius peccato efficax cauſa fuit, perditionis in corpore & anima, omnium poſteriorum ſuorꝝ id eſt, totius generis humani. Hic eſt homicida, primum ſui ipſius, deinde omnium filiorum ſuorum, uſq; in finem mundi, id eſt, infinite multitudinis animarꝝ. Quomodo potuit uno momento viuere, talia cogitans? Niſi Deus ipſe per Angelos familiariter locutus fuiſſet, dicens, Noli deſperare Adam, Ego reſarciam hoc infinitũ malum, & mittam filium, qui de tua Carne tibi quoq; filius erit. Hic tollet totum hoc peccatum, & ſaluabit genus filiorum tuorꝝ.

Hinc forte apud gentes reliqua manſit fabula, ex obſcura antiquitate, q; Saturnus ſenex deuorat omnes filios ſuos.

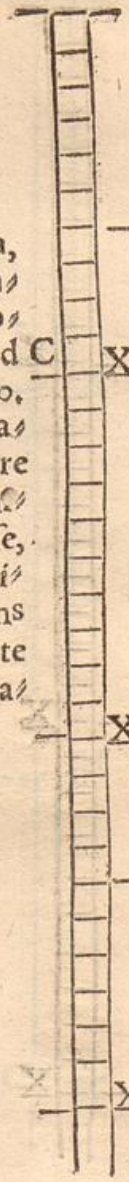
Et circa hæc tempora, Credo natum esse Iapheth, fratrem maiorem Sem. Nam quod Hieronymus putat, 20. años esse, ꝓpter peccata abbreuiatos, non credo, Ipse enim sentit initium 120 añorum esse, a natiuitate Ham vltimi filij, non aduertens Noha genuisse ante Ham, duos filios, Iapheth & Sem.



Hic incipiunt. 120. anni, quos dedit Deus, pœnitentiæ ante diluuium, Gene. 6.

Sem nascitur

Noha genuit { Sem anno, Ham, Iaphet } 500

Ordo filiorum Noha est,
Iapheth primus
Sem secundus
Ham tertius

Quod probatur sic, Sem est .100. annorum, biennio post diluui-um, dum genuit Ar-phachsad, Gene. 10. Ergo in diluuio fuit Sem. 98. annorum & ita Noha fuit. 498, an-norum, nato Sem. Porro Iapheth fuit fra-ter Sem maior. Gene. 11. Sequitur ergo quod solus Ham, iunior fra-ter, sit natus anno. 500. Noha, præponit Sem honoris gatia, quod per eum venturus erat Christus, Semen pro-missum.

Eodem modo infra præponitur Abraham, iunior fratribus suis, Aran & Nahor.
