Anmerkungen

1. Die Personalübersicht zeigt, daß die Relation zwischen den Mitarbeitern im wissenschaftlichen Bereich und in der Verwaltung im Laufe der Entwicklung im wesentlichen konstant geblieben ist. Das Verhältnis beträgt 1 : 5.
2. Die Aufgliederung der Mitarbeiter nach akademischen Ausbildungsbereichen soll nur andeuten, welche Basisausbildung die jeweiligen Mitarbeiter haben. Aus ihr sind keine Schlüsse über die wissenschaftlichen Arbeitsschwerpunkte der FEOLL GmbH zu ziehen, da im Zentrum weitgehend interdisziplinär gearbeitet wird.
