Hoc constanti responso accepto iudex, omnique plane abieca spetantam virtutem blandimentis superandi, primum quidem Fidem, annos non amplius natam duodecim, cótinuo vestibus nudatam, manibus vinctis, crudeliter virgis cædi mandavit. Quæ cum inuico animi robore & vultu iplo triumphum detyranno ageret, ad atrociora tormenta protracta est. Crudele profectò facinus. ludex furore percitus mamillas Sed ecce rem nouam & eius exscindi iubet. prodigiosam. Pro sanguine lactis riuuli defluxerunt, virginemq; niueo candore, stupente ludice exornarunt. Neg; tamen præcipitis animi fractus furor Sed igne copio so accenso virginem exuri:& ibi quoq; illæsam permanentem in fartaginem pice & birumine bullientem iactari iubet. Sed Christibonitas Tyranni vincebat malitiam; prorfus vt virgo sanctissima in medijs flammis atro sumo inuolutis consisteret integra, vultuque minimè turbato supernum continuò inuocaret auxilium. Ecquid tuncanimi ludici, quid sceleraijsattis ministris fuisse putandum est? Quo gaudio, qua exultatione aliæ virgines, & mater ipfa filiam tam admirando triumpho glorio fam aspexisse existimandum? Iudex igitur ira procvita peinsaniens gladio eam transuerberari mannidadauit. mus,
