CONSIDERATIO XXXI.

AMOR DEI,

Amor Vitæ Animæ.

VErà vita tres perfectiones requirit : *Eſſe, po*[illegible]
operari. Eſſe accipit ab anima, poſſe à [illegible]
bus, operari ab actione. Idipſum cernere eſt in [illegible]
Vita ſupernaturali, quam accipit à ſacro [illegible]
Eſſe ſupernaturale, ac divinum eſt à Gratia, [illegible]
ſupernaturalis, à Caritate, Operatio actualis [illegible]
more Divino. Hæc eſt Vita Divina Animæ; [illegible]
multò perfectior. Pluris igitur æſtimanda, [illegible]
exercenda: debetque hæc eſſe norma illius. [illegible]
Intellectus, ſed illuſtratus à ſacra Fide: Imper[illegible]
tas, ſed à ſancto Amore directa. Sic vivet [illegible]
non ſine divina, ſed ſimul cum divina.

Exemplo ſit Chriſtus Dominus noſter. [illegible]
ejus actiones non erant humanæ tantùm, ſed [illegible]
ſimul ac divinæ; Theandricæ, ut vocant [illegible]
Quia eadem operatio oriebatur ab Anima, [illegible]
ſona, ac Natura divina, quæ erant in Chriſto. [illegible]
deeſt ad hoc concurſus divinus : quia [illegible]
formâ, & potentiâ naturali, Deus habet [illegible]
concurſum naturalem ad cooperandum: [illegible]
Gratia, & ſupernaturales potentiæ, ut Caritas, [illegible]
naturales potentiæ, ut Caritas, & aliæ Virtutes, [illegible]
ratum habet ſupernaturalem concurſum, ad [illegible]
dum cum illis.

Ergo defectus in nobis eſt, quòd oriemur [illegible]
fectiore : Ideo caremus tantis meritorum [illegible]
quos adipiſceremur uſu Vitæ illius. Vivam[illegible]
ram vitam, vitam divinam ſancti Amoris [illegible]
perfectè vivi non tantùm in habitu, ſed e-
iam in actu.
