A vertical image of a book cover. The majority of the cover is marbled paper with a brownish-tan base color, featuring a network of red veins and some greenish circular spots. The spine of the book is visible on the right side, showing a dark, textured material. A small, rectangular, off-white label is attached to the spine. The label has the letters "Th" written in a black, cursive font at the top, followed by the number "3421" in a larger, bold, black, cursive font.
