Antverpiæ, 1565

45. De priori vespera Dominicarum

[urn:nbn:de:hbz:466:1-63426](https://nbn-resolving.org/urn:nbn:de:hbz:466:1-63426)

POST octauam Epiphaniæ siue priua
 ta dies sit, siue Dominica, leguntur Epi-
 5 stolæ Pauli vsque ad septuagesimã. Prior
 vespera cuiuslibet Dominicæ crastinam
 exigit orationem, quia capitulum ante
 Magnificat, sequenti ascribitur Domi-
 nicæ, sicut in Dominica de Auentu Do-
 10 mini, & Quadragesime, siue passionis Do-
 minicæ comprobatur, quod & in alijs so-
 lemnitatibus penè vsquequaque frequen-
 tatur. Hoc vtique & Responsor. & Anti-
 phonæ indicant, quæ de crastina historia
 15 ad priorem vesperam solent anticipari.
 Aliquando tamen vltima Antiphona de
 Euágelio prioris Dominicæ, ad vesperam
 prædictã reseruatur, vt in Dominicis post
 Epiphaniam & Pascha; quæ tamen adeo
 20 concordant, vt Antiphona, præcedentis
 dominicæ orationi subsequenti optimè
 conueniat.

G 5 De

Epistolæ Pauli
post oct. Epiph.
