EUCCHARISTICON
AD
REVERENDISSIMUM
AC
CELSISSIMUM
PRINCIPEM.

Quod unum in hac tanta Solennitate omitti à nobis sinè turpi ingratitude labe non potest; eâ, quâ par est, observantiâ executuri, ad Principalem Thronum tuum, Reverendissime ac Celsissime Princeps, procumbimus, pro exhibita nobis Tua erga nos pietate immortales gratias persolventes; Enimverò, dum novam Ecclesiam nostram solenni ritu consecrare clementissimè dignatus es, tam insigni universum Schwartzacensem Conventum gratiâ affectisti, ut, siue illius amplitudinem consideremus, siue promptitudinem attendamus, quâ licet & mul-
tis

tis & gravissimis impeditus negotiis, eandem impertiri nobis voluisti, nec major praestari nobis, nec à Te expectari illustrior potuerit. Exultant proinde Templi nostri parietes, quos novâ hac in dedicatione gloriâ exornâsti; & si sileremus nos (silebimus autem nunquam) saxa clamabunt, FRIDERICUM CAROLUM Principem esse cultûs Divini promovendi studiosissimum. Exultant altaria, in quibus quot Missarum officia deinceps persolventur, tot pro Celsitudine Tuâ Ecclesie, Imperio & Franconia conservanda Deo immortalis hostie immolabuntur; Exultat præcipuè devotissimus Tibi Conventus Schwartzacensis, qui quoties Basilicam à Te dedicatam intuebitur, toties ad præstandum Tibi laudis homagium se se sentiet excitari. Cum verò Tua erga nos Pietas major sit, quàm ut eam Verbis exprimere valeamus; Veniam dabis, si devoto eam silentio Venerantes, ad obsequia nos Tua Reverendissime ac Celsissime Princeps promptos exhibeamus, Devotissimi Celsitudini Tue
