CAP. XIV.

*Minus idoneus in sacerdotem promovari vel ad regimen animarum offi*m* non debet.*

Idem in concilio generali.

Cum sit artis b^{is} artium regimen animarum, districte precipimus, ut Episcopi promovendos [in] sacerdotes diligenter instruam & informem, vel per scipios, vel per alios idoneos viros super divinis officiis eccl^{si}asticis que sacramenta, qualiter ea ritore celebaretur. Quoniam si de exteriori rudes & ignorans ordinare prouisum est, (quod quidem facile poterit comprehendere) & ordinatores & ordinatos ultionis gravi decernimus subiacere. Sanc^tinus & enim est (in ordinatione maxime a sacerdotum) paucos bonos, quam multos malos habere ministros: quia si caxus cacum ducit, ambo in foveam dilabuntur.

CAP. XV.

Defectus sancti dejecti jam promotus.

Honorius tertius, capitulo Bremen.

Quamvis multa proposta fuerint contra Episcopum Calmensem, quia tamen confessus est eorum nobis, se nonquam de Grammatica didicisse, nec etiam legisse. Donatum, & per evidentiam factu iisque adeo de illitteratura & insufficiencia sua constat, quod contra Deum esset & canonicas sanctiones, tantum in Episcopo tolerare defectum, ipsum a pontificalis officiis executione, & ab administratione & Calmensem ecclesia penitus duximus amandum.

Innocentius tertius.

Cum sⁱ veniret ad Apollinarem sedem, & Bracarensem Episcopum, qui in consecratione sua sanctam non accepatur unctionem, quoniam apud vos non confluverunt pontifices cum consecratur inungit, nos quod illi defuerat, mandavimus in ipso supplici, facientes caput ejus & manus per Albanum Episcopum, (adstantibus ei duobus Episcopis, secundum morem ecclesiasticum) sacro christiane deliniri: [C. infra.] Scirete volumus duas esse species unctionis: ex-

Unio vobis & extremitate fidei est interior & invisibilis unitio. Unio vobis & exterior, non solum est signum, sed etiam testis: quia si digne sumitur, vel agit, vel agit a sacerdotibus quod designat. Ad exhibendum autem extremitatem vobis unitio, benedictio oleum, quod diu in chumenorum vel infirmorum: & confundit fames, quod ex oleo fit & balsamo, mystica ratione. De exercita conscientia dicit Apostolus: *d. Gloria nostra haec est, et munitionis conscientia nostra: nam omnis & gloriam regis ab intus.* De odore fames idem Apostolus: *Chirifi bonus odor fumar in omni loco, & alii fons odor vita in vitam, alii odor mortis in mortem.* Hoc enim Episcopus bonum habere testimonium, *et sic quis qui sunt intus, & ab his, qui sunt foris, ut contra carnem trahat: & qui audit, dicat, venit.* Hoc ergo caput & manus Episcopi confercentur. nachorum & Moyz, quia omnis sanctificatus in Spiritu San-
cto, non negotiorum virtus fando christiani est permixta.

Tales de uincula christianis post baptismum, qui dicitur con-
firmatio.

Per frontis christinacionem, manus impositio designa-
tur: que alio nomine dicitur confirmatio: quia per eam
spiritus sanctus ad augmentum datur & robur. Unde
cum ceteras unctiones simplex faceret, vel Presbyter
valens exhibere, hanc non nisi sumimus sacerdos a, id
est, Episcopus debet conferre: quia de folla Apollonis legi
gitur (quorum vicarii sunt Episcopi) quod permanens
impositionem spiritum sanctum dabant: quemadmo-
dum auctum apollorum lectio manifestat. Cum autem
dissent, inquit b, apostoli querant Hieropolym, quia
recepit Samaria verbum dei, misserunt ad eos Petrum & Ioannem: qui cum venissent, oraverunt pro ipso, ac
aceperunt spiritum sanctum: nondum enim in quem
quam illorum venerat, sed baptizari tantum erant in no-
mine domini Iesu, tunc imponebant manus super illos,
& accipiebant spiritum sanctum: cuius adventus per
unctionis ministerium designatur: quia columba e in
qua spiritus sanctus super christum in baptismate descendit,
ad vesperam in cataclymo revertens, ramum
restituit virгинis olive, cuius utique sacramentum David &
prophetas pronoscens, exhilarandam faciem in oleo
prædicavit.

Tradit de confirmatione altaris. Abbatis.

Vnguit præterea, secundum ecclesiasticum morem,
cum conficeretur altare, cum dedicatur templum, cum
benedicatur calix, non solum ex mandato legis divinae,
verum etiam exemplo beati Sylvestri, qui cum confe-
cbat altare, illud christiane perungebat: præcepit e-
num d. dominus Moyse, ut faceret oleum unctionis, de
quo ungeret testimonii tabernaculum, & arcum testi-
monium, mensamque cum vasis. Verum unctionis sacra-
mentum & aliud quidem efficit, & figurat, tam in no-
vo, quam in veteri Testamento, unde non iudaizat ec-
clesia, cum unctionis celebrat sacramentum, sicutanti
qui mentiuntur, qui neque scripturas, neque dei nove-
re virtutem. Monimus igitur ut illum in ordinandis
Presbyteris, & conferandis Episcopis morem servet, &
facias observari, quem apostolica sedes observat: [i

pastorali: tum propter historiam, tum propter mysti-
cam rationem: tu tamē si similitudinem aliorum
Pontificis poteris eo uti.

magis. Minimus tibi per cardinalem praeditum pontificale
ornamenta, caligas & sandalias, amictum & albam, cingulum &
secundorum, orationem & manipulum, tunicam & dalmaticam,
chirothecas & annulare, planetam & mitram. [ii] Ium vero per
