CAP. IX.

*Auctor malitia confessio, quia sibi partum alienum suppeditus,
ut propter ex adulero suscipiat, nequid marito vult detegatur.*

*Iam sancti Laur. in Lucina Presbyter Card.
Appl. Job. legit.*

*Officii. & infra. Significati quandam mulierem
in penitentia tibi fusile confessam, quod dicens ne
mi proficio devolveretur ad alios, quorundam herba-
rum secum portavit, & sic venter eius intumuit, & inde
gradatim effundens, sibi partum superponit alienumque
urinare matrem, non vult facinus ipsi b detegatur.*

*Quoniam igitur postulat edocere, utrum ei ha-
bitat distante si penitentia injungenda: responde-*

nt, quod fuit mulier, qui ignorante marito de ad-

littero problemi fulcepit, quanvis id vix suo timeat con-

dencit, nec penitentia denganda: ita nec illi debet

penitentia negari, maxime si per alios intelligas a-

les, ad quos timeat peccationem viri devolvi: sed

compensis facias per dicitrum factotem ei de-

bet injuria.

CAP. X.

*Abbas ministris benedicere, confessores audire, & publico
publicare peccata.*

Idem Valent. c & Burgen. Episcopis & Abbatibus.

de N. Lefebvren. oratione.

*Nora e quodam nostris fuit auribus intimata, quod
abbatilia moniales proprias benedicunt, ipsorum
consecrationes in criminibus audiunt, & legentes
Eusebium praelatum publice prædicare. Cum igitur
alios non sint, pariter & abfundit: mandamus, que-
nunt de cetero siat, curretis firmiter inhibere. Quia
hunc beatissima virgo Maria dignior & excellenter fue-
rit apollinis universis, non tam illi, sed istis dominus
dante regicolarum committit.*

CAP. XI.

*Tempor generali entredicti conceditur penitentia & viaticum
misericordia, hoc primo. Clerici, qui servaunt interdictum, pos-
sunt cum fiducia in camistro seipsum, hoc secundo. In conve-
niencia clerici boni vel trini poenitentia submissa voce dicere
hunc. Grate signatis & progressu tempore interdicti peniten-

verat: Vade, & amplius noli peccare, ne dexterius aliquid tibi contingat.

Prudente decreto statutum, & diffidite praecipimus medicis corporum, ut cum eos ad infirmos vocari contigerit, ipsos ante omnia moneant & inducent, ut medicos advacent animarum: ut postquam fuerit infirmo de spirituali salute profluum, ad corporalis medicina medium salubrium procedatur, cum causa cessante, cestet effusus. Hoc quidam interalia huic causam dedi editio, quod quidam in agitardinis lecto jacentes, cum eis à medicis suadetur, ut de animarum salute disponant, in deforatione articulum incidunt, unde scilicet morbis periculorum incurunt. Si quisare medicorum hujus nostrae constitutionis, postquam per praefatos locorum fuerit publicata, transgredior exitere, tamdu ab ingressu ecclesie arceatur, donec pro transgressione humiliodi satisficerit competenter. Exterium cum anima sit multo preciosior corpore, sub intermissione anatomatis prohibemus, ne quis medicorum pro corporali salute aliquid agereto suadeat, quod in periculum anima convertatur.
