diderat.

Quippe horrent ipsi tam noxia dogmata ma-  
nes,

Auctorisq̄, athēi dira venena tremunt.

Lingua illa patitur frigusq̄, ignesq̄, perennes:

Qua vomuit, TRIADEM sustinuisse crucem.

Complures sinxitq̄, DEOS. Tam degener error

Occupat infandum, noxq̄, profana, caput.

Ne furor intereat vetus hic. VVLCANVS ALASTOR

Vnum de colubris, quis furit ille, rapit:

FVLLONISQVE novi cerebrosum pectus obarmat.

Hinc eadem sapit hic, qua vetus ille Cnaphēus.
