In
AVGVSTVM BVCHNERVM,
optimè de se meritum Senem.

POëta magnus, atqve magnis Orator,
Acer, disertus, fulminum potens ductor,
Cui nil secundum nilqve par erat seclô,
Examen orbis eruditi, & exemplar,
Socco vel iret, grande vel cothurnatus,
BUCHNERUS, isthòc fistitur senex libro.
Mollis juventæ cessat hîc labor mollis;
Incana qvæ mens alta cunqve concepit
Acuminumqve plena sponte natorum,
Morisqve prisca fortium Mycenarum,
Tum septicollis quem sequuta Roma olim,
Hûc cuncta longo transiêre proventu,
Miratur Orbis, totus & stupet secum,
Avis Latinis creditam hæctenus palmam
Mysorum in unum commigrasse BUCHNERUM.
