*Epigramma 41.*

## A L I V D.

**D** Vrat hiems tenuique incrustat marmore riuos.  
 Hic agit rapidos læta Megæra choros.  
 Sed reuoluta ruunt liquidi super æquora fluctus.  
 Perfida quos fragili compede vinxit hiems.  
 Sauciaque vndosum glacies iter explicat orco.  
 Sidit Auernali naufraga præda lacu.  
 Tum dixit Themis vltima nefas de funere mœchæ:  
 Do leue corpus aquis, cætera linquo rogis.

*Epigramma 42.*Ioannes nunciat in limbo Messiam  
breui adfore.

**V** T fragilem fregit ferro mors inuida testam;  
 Purior ad Stygias emicat ignis aquas.  
 Sic modò qui fuerat vix parua lucerna nepotum;  
 Magnus hic extinctis Phosphorus ibit auis.  
 Maturamque canet venturo sole salutem,  
 Sol donec radijs lustrat Auerna suis:  
 Interea cæco vates erit Hesperus orco.  
 Alter at Eois Phosphorus ibit equis.

*Epigram. 43.*Ioannes ante ardens & lucens lu-  
cerna, à morte magis in-  
clarefcit.

**L** Ingua labat, titubatque cauo vox hausta palato.  
 Eloquar? extinctâ luce Lucerna silet:  
 Nec silet, innumeris rædis clarescit & astris:  
 Quæ perit impuro rapta lucerna toro.  
 Quæ scelus hoc aperit, lux mille dat vnica luces.  
 Ante Lucerna noui solis Eous erit.

*Epigram.*
