butor, paupertatis proprius intitutus fecit, iam mandatum impleuit, dando cui uoluit ratione ducere, que ipsum non detinoris conditionis esse dicta ex hoc, quod est distributor, quam si non esset. Stat ergo solidus literae doctrina, quod distributor liberis intitutus potest seipsum iter parcer computare, si est, & abique fraude tam sibi distributum sicut sibi similibus distribuit. Debet enim ut extraneum computare, & in persona donantis distribuere.

Lib. I. c. 8.  
tom. 2.

S D C O N T R A . est, quod Apostolus dicit ad Tim. 5. Si quis suorum, & maximè domiciliorum, curram non habet, fidem negavit, & est infidelis deterior.

R E S P O N S U M . Dicendum, quod abundatia elemosynæ potest considerari & ex parte dantis, & ex parte recipientis. Ex parte quidem dantis, cujus aliquis dat quod est multum secundum proportionem propria facultatis, & sic laudabile est abundanter dare. Vnde & dominus Iesus Christus dicit ad Corin. 13. Si distribuero in cibis pauperum. Vbi gl. dicit, Per hoc cautela elemosynæ doceatur, ut non uni, sed multis detur, ut pluribus profitatur.

A D P R I M U M . ergo dicendum, quod peccator in hoc est subveniendum, in quantum est peccator, i. ut per hoc in peccato fouetur, sed in quantum homo est, id est, ut natura sustentetur.

A D S E C U N D U M . dicendum, quod opus elemosynæ ad mercedem retributionis aeternæ duplicitate valet.

V nō quidem modo ex radice charitatis,

& secundum hoc elemosyna est meritoria, prout in ea seruatur ordo charitatis, secundum quam pro-

pinquieribus magis prouideremus, carteris pa-

ribus. Vnde Amb. dicit in 1. de Officiis. Est illa pro-

banda liberalitas, ut proximos sanguinis, qui non de-

spicias, si egere cognoscas. Melius est enī ut ipse subvenias tuis, quibus pudor est ab aliis sumptuose depo-

scere. Alio modo valet elemosyna ad retributionem

uitæ aeternæ ex merito eius, qui donatur, qui orat pro eo, qui elemosynam dedit: & secundum hoc lo-

quitur ibi Augustinus.

A D T E R T I U M . dicendum, quod cum elemo-

syna sit opus misericordia, sicut misericordia non

est proprie ad seipsum, sed per quandam similitudinem,

ut supra\* dicitur est ita & proprie loquendo,

nullus sibi elemosynam facit, nisi forte ex persona

alterius, puta cum aliquis distributor ponitur elemo-

synarum, potest & ipse sibi accipere, si indigeat,

eo tempore, quo alijs ministrat.
